

## Cook & Dine experiences – corporate entertainment

Our Cook & Dine events offer your group the opportunity to create a delicious menu based on a particular subject, with the guidance of one of our experienced chefs, making team work fun!

You can try anything ranging from Spanish tapas and Mexican street foods to Italian pasta making and macaroon making workshops. Just tell us your cooking preferences and we will offer delicious suggestions that suit your team and what you'd like to achieve from the day.

### What happens?

The group will be split into teams. Two-hour cooking session where the teams work towards making a meal. One hour for eating, drinking and being merry. Most events last four hours from arrival to leaving time. We can adjust timings to suit your preferences.
